Dear organiser,

The following questionnaire facilitates your personal evaluation focused on the organisation, especially on the needs for the training. Do not write your name on this questionnaire. Your responses will be anonymous and will never be linked to you personally. Answer the following questions based on your beliefs. Most of the possible answers are presented as scales. For example:

Please mark the appropriate box that fits your choice best (“x”). Please answer all of the questions to the best of your ability.

Thank you for your cooperation!

Finally, we have got one particular request:

You might have discovered actual mistakes in the curriculum e.g. material is not accurately included, wrong annex numbering or resources might be missing, ...). If so, we would be happy if you could pass on this information (incl. the respective page of the curriculum) to the project partners you are working with, to the organiser(s) or write the information in the evaluation questionnaire. Thanks a lot!
